## Note the Beautiful Location of Our Property

Battleford, Sask., Sept. 25, 1912.

A. G. Cowles, Battleford.

Dear Sir,

It gives me much satisfaction to have the opportunity of recommending that portion of the City located and known as Battleford West, and particularly the property you own and now offering for sale. This property being ideally located, perfectly level, close in, and not more than 15 minutes walk from the Post Office, is, in my opinion, the most high class residential district in the City. The prices quoted for this property are in my opinion, exceedingly low, and will beyond a doubt prove a most excellent investment.

I might mention that several persons who have purchased Battleford West property on my recommendation, and have since looked over their purchases, have expressed themselves as highly satisfied with same. Yours respectfully,

A. A. LESLIE, Commissioner.
