A. G. Cowles, Esq.,
Battleford.

Dear Sir,

Your property, "Battleford West," is beautifully located on the banks of the Battle river and in close proximity to the town, being only fifteen minutes walk from the Post Office, Court House and Land Titles Office, which is the centre of the town.

I have no hesitation in recommending this as high-class business and residential property, and at the prices quoted in your price list, investors should make good profits in a very short time.

Yours truly,

A. Champagne, M.P.

This is to say that I know your property well, and am well posted as to values in that portion of the City, and I can recommend Battleford West as being the most sightly spot in the City as a high-class residential district.

One strong point about your property is that you have a clear title to the same.
